RAINBOW REVIEW OF THE 1953 EDITION

FEITSHANS HIGH SCHOOL

SPRINGFIELD, ILLINOIS

Foreword

Your school days seem a rainbow gay
Of variegated hues,
Aspiring greens and ardent reds,
Gold yellow, steadfast blues.
The intense orange, cool violet
Merge as your way is sped
Through hesitating freshman steps
To a senior's stately tread.

As the Norse gods entered heaven
By climbing rainbows bold,
You, in four years, reach rainbow's end,
The fabled pot of gold;
You enter in another world,
School days are left behind.
To golden memories you cling
Your past joys to remind.

This yearbook strives to catch the gleam
Of multicolored thrills,
To bring back happy yesterdays,
To hope that life fulfills
Your brightest, most ambitious dreams,
Rose-colored, heliotrope.
May each tomorrow be for you
A rainbow gleam of hope.

Feitshans High School

In fall when the leaves are russet hued,
Or in spring when the shrubbery's green,
In winter time when a cloak of snow
Makes a glistening ice-palace scene.
Through all changing seasons this, our school,
Seems a symbol of beauty rare,
Though years may crumble, and time despoil,
Countless thousands of feet impair.
To us who love her, the school remains
Always ageless, noble in truth
With memories rich in rainbow-crust
Of bygone days and carefree youth.

Undefeated Champions

MAY SENIORS

May seniors, too, mid glory rays
Spent busy, active years
Enjoying rainbow fun and thrills,
Preparing for careers.
They had great fun with carnivals,
With parties, picnics, too,
Played many roles in "Tiger House"
From heroine to Hindu;
Or on committees, painting scenes,
Helping in every way,
Making "Sun Up" a fine success,
An inspiring senior play.
Their junior-senior banquet theme
Was based on May-day lore,
Spring flowers, ribbons everywhere,
And maypoles as of yore.
Their senior prom was beautiful
Causing great elation
As their lovely vesper service
And honored graduation.
They, laurels won in scholarship,
In sports, yearbook and choir,
In band and clubs. These pages show
Awards they did acquire.

NATIONAL HONORSHIP SOCIETY

Leadership, character, and service
Are combined with high scholarship, too,
As a basis for choosing members
For this much coveted brain-trust queue.
Just B averages are considered,
With three A's, three B's in a major,
Plus approval of teachers and sponsor.
(More girls than boys win, you can wager!)
To the others who'll rate this honor,
But not till after we go to press,
We're sorry we can't have your pictures,
For we're proud of the traits you possess.

(Top) Class Officers: Kenley Wade, president; Pat Bregowy, secretary; Bill Gushes, vice president; Richard Serena, treasurer.

(Middle) Miriam Genack, D.A.R. Citizenship Award Winner.

JUNIORS

Jubilant because of the class rings they wear.
Unusually pretty girls; boys, debonair.
Notable in many ways: art, music, sports,
Intelligent in talking, gay in retorts.
Occasionally love-lorn, always romantic,
Responsive to mischief, any gay antic,
Successful and jovial as onward they wend
Till next year, as seniors, they reach rainbow's end.

Junior Officers—11″: Delores Terrill, secretary-treasurer; Don Fenstermaker, vice-president; Ralph Adams, president.

Chief Junior Play Promoters: Don Fenstermaker, Betty Wilkey.

FRESHMEN

Bewilderedly from grade schools
The shy freshmen start their climbs,
At first unsure of schoolwork,
Teased by sophies oftentimes;
But, soon, they grow accustomed
To school's practical routine;
A short time till promotion
Then sophs—no longer green!

FRESHMAN OFFICERS

John Homeier, president; Sharlene Rose, secretary-treasurer; John Gantt, vice president.

Used to be the olden way
Of teaching school, and aren't we glad
That procedure's now passe?
Now, psychology and guidance,
Tolerance, understanding, trust,
Greater knowledge, modern methods
Help each pupil to adjust.
We're proud of the teachers pictured,
The administrative force.

OFFICE FORCE

Just as essential as A B C's
Affable, attractive workers are these,
Busy at all times with record or sum
Competent, capable, making work hum.
They answer all questions, give much advice.
Such work plus much glamour seems extra nice!

Alice Bowman, Rita Devlin, Mardell Moffett, Clara Krug, Bertha Miller

CAFETERIA STAFF

With pleasure we picture now
And to their services bow.
From good pastry to soup
Miss Devl:n and her group
Are adept at serving us chow.

CAFETERIA ASSISTANTS

Christmas and Easter breakfasts,
And gifts make a worthwhile reward,
Plus fun enjoyed while working,
And free, plenteous noon-time board.

Jo Ann Phillips, Miriam Genack, manager

CANDY STORE WORKERS

"Sweets to the sweet" once Will Shakespeare wrote.
"Sweets from the sweet" is a better quote.
Sweet describes the candy workers wholly.
Too much sweet makes 'em roly-poly.

Greeting the School Helpers

PARENTS-TEACHERS ORGANIZATION

The P.T.A. does many fine things for all,
Buying items ranging from sofas to globes,
Giving freely of money for yearbook debts,
And buying the choir and graduation robes.

MEN'S CLUB

An excellent philanthropic group
Noted for good deeds, not for boners,
All are members of our large Men's Club
Who are always generous donors.

LIBRARY ASSISTANTS

Might the reason they issue so many books
To the boys be because of their good looks?

Betty De Croix, Mrs. Carpenter, librarian; Kay Ramsey, Carole Crouch, Kay Brown, Nadine Meredith, Margaret Kespelher, Nancy Connor.

August Nika, James Wolf, head custodian, Leonard Pollett, Tony Achas, Merritt Brumfield.

MAINTENANCE STAFF

Our five janitors are likeable men
Who do willingly the good work of ten.
On them we rely.
Their talents they ply.
Efficiency experts they are and have been.

EXPLANATION for CLUB-MEMBERS

We want clubs to have many pictures,
And receive applause and acclaim,
But we must economize on space,
So an appendix lists your name.
And, therefore, like a cross-word puzzle,
You can determine each foe or friend.
When you are "stumped" by some charmer,
Consult the appendix at the end.

Greeting the School Helpers

STUDENT COUNCIL

To work harmoniously with all groups,
To help solve problems in the school,
To help carry-out worthwhile school projects,
To suggest rather than to rule,
To sponsor dances after sport contests,
Produce clever amateur shows,
Sell pencils with athletic schedules
Are the aims its members propose.
Each home room elects one council member.
Four appointees also convene.
Meetings are held before school on Tuesdays
Ably sponsored by Mr. McQueen.

OFFICE ASSISTANTS

The office staff picks them courteous and strong,
For these students run errands all day long.
They have no time round "18" to hover,
For office assistants have miles to cover.

TEACHERS' ASSISTANTS

These students check papers,
run errands,
Or help on all matters foreseen.
They are capable, willing, resourceful,
Helping greatly with school routine.

KEY CLUB

When there's paper in the halls,
Get the Key Club!
When a doorway number falls
Yell for Key Club!
When more trees should be planted,
Or pep talks should be ranted,
Or pretty girls enchanted,
Send for Key Club!
It's a junior civic group
'Ray for Key Club!
That'll never decline or droop,
Not our Key Club!
Always there to help the school,
Always willing, calm, and cool,
Practicing the Golden Rule.
Love that Key Club!

Activities

Honoring the Editorial Staff

We hope you'll feel our rainbow book
Is "on the beam" and "clover."
How do we feel now that it's done?
Just dog-goned glad it's over!

APPRECIATING the PHOTOGRAPHIC STAFF

Not only does Mac have the best band in town,
And the finest, best-trained majorettes,
He has also much skill in photography
As shown by pictures and silhouettes
Which you are now seeing in this, our yearbook,
And we hope you'll approve and enjoy
The laborious work of Mac and his staff
Three cheers for them and "the real McCoy!"

CONGRATULATING the FINANCIAL STAFF

Regard this picture carefully,
Give everyone a clear look.
Without these wizards of finance
There wouldn't be a yearbook.

They worked at stands, sold business ads,
Learned to persuade and cipher,
From all of us to all of them
Many thanks, staff, and Miss Peifer!

Quite a feat with bare feet.

A candid picture with *candied* pin-ups.

SCHOOL CARNIVAL

Wasn't it fun at the school carnival?
Remember how giggly we were?
The shows were superb, and those hula guys,
And the queen! Who could forget her?
The concessions and food were extra swell,
The band-music peppy and fine.
I hope we'll keep having them every year.
Gee, aren't carnivals just divine?

"Looking or buying, Don? Attention, or intention?"

Slit Gizzard Bill cutting up in the Fun House.

CARNIVAL

Tum-twiddling.

Nine fascinating girls, a tense plot, clever lines revealing feminine fun and fury made "Nine Girls" a frolicsome comedy as well as an exciting mystery drama. Long hours of work put in by the junior cast, committees, Miss Helen Ayers, capable dramatics director, and Phil Bretz and Betty Wilkey, student directors, accounted for the success of the play.

The Stranger	Don Fenstermaker
Bob	Ralph Adams

"Sun-Up" was a powerful dramatic play of the Southern mountains, abounding in humor as well as in scenes of stark tension, and having as its theme the sound philosophy that hatred is the "sundown" of life while love of mankind is the "sun-up." The senior cast, ably directed by Miss Helen Ayers, and student directors, Darlene Prehoda and Betty Wilkey, gave an excellent performance. The stagecraft was competently handled by Mrs. Roellig's art classes and various senior committees.

Lest it should be subject-matter
For the paper!
Better not be too romantic
Too indignant, or too frantic.

(Telegraphs could be no quicker
Than that gaper.)
Though at times the razzing prickles
Reading it is worth your nickels
And your affright,
For news next week may be shocking.
It will set the whole school rocking.
For your delight,
For it's great fun when the teller
Ridicules the other feller
In Blue and White.

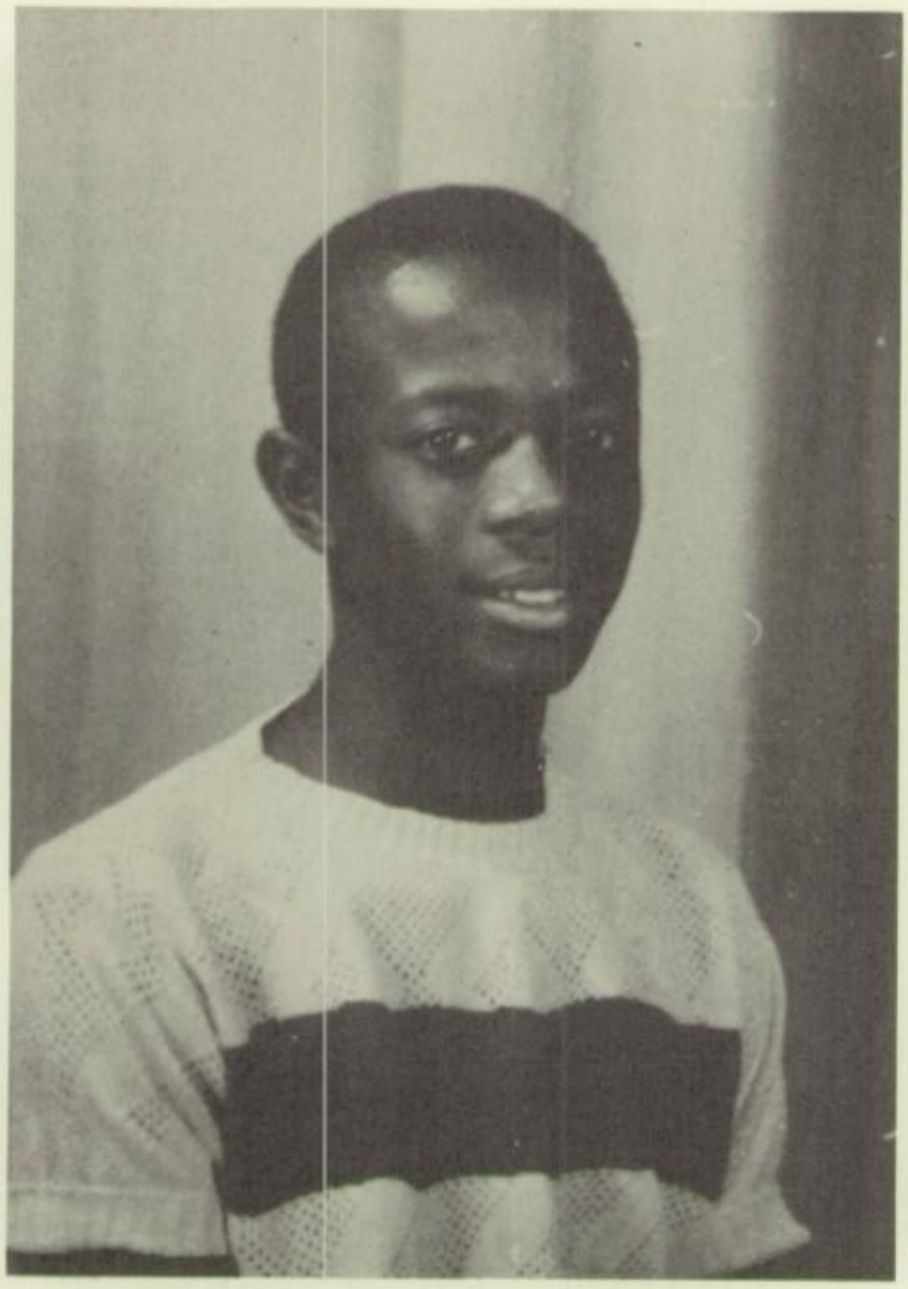
In Memoriam



CHARLES ANDREW BRANDON (1937-1953)

"Ah, broken is the golden bowl, the spirit flown forever.
Let the bell toll—a saintly soul floats on the Stygian river.

* * *

Come, let the burial rite be read—the funeral song be sung,
An anthem for the kingliest dead that ever died so young,
A dirge for him the doubly dead in that he died so young."
—Poe.

Charles Brandon, a well-liked, unusually intelligent and gifted sophomore at Feitshans, died January, 1953. He was an all-around athlete, being a member of the championship football team, a member of the junior varsity basketball team, and a participant in track and baseball. He was an honor student, and a member of the A Cappella Choir, Quo Vadis, the Key Club, and the Student Council.

Forget him? No!
For of pleasant thoughts his mem'ry is the shrine,
Soft and pervasive as the scent of flowers,
Calm as on windless eve the sun's decline,
Sweet as the song of birds among the bowers,
Rich as a rainbow with its hues of light,
Pure as the moonshine of an autumn night,
Thus, we remember him, and auld lang syne.

BIG TIME!

ANOTHER KNOX SCORE!

Feitshans Flyers Take Their Place Among City's Greatest Football Teams Of All Times

By DAVE WITTHANS.

There's plenty to cheer about on Springfield's south side these days. Feitshans High just completed its greatest football season. It was the first perfect slate in its history, the first city crown since 1946 and the first Central title since 1948.

Coach Marv Schultz' fourth year at the helm produced all these firsts for himself, too.

In romping through their nine game schedule, the Flyers finished the year as one of the dozen all-victorious teams in the state. They also have one of the longest strings, 12, which includes three wins last fall.

Feitshans experienced many uncomfortable moments during the year. Five contests were annexed by a single touchdown or less. Only once was the margin by three touchdowns.

A quick recap of the year brings to light two big games for the Flyers, the Springfield and Jacksonville tilts.

After the senior laden team started off by whipping Bloomington, 21-0, for its biggest score of the season, the Flyers were faced with the task of downing the Solons. Springfield had nearly always dominated Feitshans and the contest was rated a tossup.

Bobby Knox scored the only touchdown of the game in the third period and the Flyers were on their way. Knox scored both times against Lanphier, winning 13-6, and then the Flyers broke loose in the last quarter against Cathedral for two touchdowns to capture the city crown, 19-7.

Beardstown fell, 12-0, and then came the title contest for the Central loop with Jacksonville. Johnny Nicks, Otie Farris, Bill Leatherwood and Knox plus the great line stopped the Jacks, 13-12.

After much sweating, Litchfield, 20-12; Clinton, 12-0, and Carlinville, 13-6, finally succumbed for the perfect season.

Feitshans' defensive average of 4.1 was one of the best in the state. The forward wall was tough and fairly big and opened many holes for the half dozen backs who produced the offensive average of 14.1.

It was a great team and well deserves its top spot among the all-time city champs.

Shown below is the first football team in Feitshans' history to go through a season undefeated and untied. In rolling over nine foes, the Flyers, coached by Marv Schultz and Walt Barniskis, annexed both city and Central conference titles.

—Editorial, Illinois State Journal.

FEITSHANS FLYERS

Undefeated City and Central Conference Champions

HAIL THE FLYERS

Perfection is difficult to attain in any field of endeavor. To complete a season's football schedule without a loss is an achievement worthy of especial notice. This is particularly true in Illinois high school competition. As a result, athletes of Feitshans High are receiving the commendation of the entire city as well as their own followers.

Coached by Marvin Schultz, who starred on former Flyer teams and later at Bradley, the 1952 squad has given its school its first undefeated and untied team. Playing its usual schedule, which includes the annual city championship program as well as its quota of Central conference games, the Flyers did not encounter a single "breather" among their nine opponents.

Their triumphant march through Bloomington, Springfield High, Cathedral, Lanphier, Jacksonville, Clinton, Beardstown, Litchfield and Carlinville was entirely a team affair, the result of hours of hard work by every member of the squad as well as the coaching staff.

This triumph becomes even more pleasing when one considers that only three teams in the entire central Illinois sector escaped without at least one defeat. To Coach Schultz and every member of his squad and to the school they represent go heartiest congratulations of the entire community.

VARSITY

Playing a "tough" schedule the F.H.S. cagers were able to garner only a 12-won and 14-lost record for the year. Coach Halberg's basketballers, however, provided fans with plenty of thrills in many close contests, and they made a good showing in the semi-finals of the Havana Regional Tourney. Their Central Conference record totaled 4 won and 4 lost. Rebounds were hard to get after the graduation of three regulars, Bates, Bretz, and Meidel, for the last part of the season was played mainly by underclassmen. These boys, however, should provide an experienced nucleus for next year's squad. Leading team scorers were John Homeier, 397, average 17.3, and Otis Farris, 324, average 12.5.

Acknowledgments

The students and sponsor of the Editorial Staff wish to express sincere appreciation to the following individuals and organizations who contributed inestimable service toward production of the Rainbow Edition of the 1953 *Log*:

Miss Helen Peifer, financial adviser, whose efficiency and effort beyond the call of duty kept the book on the *black* side of the ledger instead of the *red*.

Mr. Melvin McCoy, photographic adviser, whose counsel, unlimited patience, and work changed *gray* times to *rose-colored* ones.

Miss Ines Bressan, Miss Helen Ayers, and Mr. Clarence Ruff, whose money-raising schemes, cooperation, and suggestions were *true-blue*, and those groups, the F.H.A., Mrs. Church's Y Teens, the Speech Classes, and, of course, the Financial Staff, who worked incessantly to bring in the "green stuff."

Miss Elizabeth Brown, whose corsages for the staff were *multicolored* beauties.

Mr. Minor Smith, and Mr. Bob Hahn of Williamson Press, whose endless patience and sound advice smoothed the way for a "green" sponsor and staff.

To all the students for their warm-hearted support, and to the adults in F.H.S., whose cooperation made this book possible, we extend our hearty thanks.
